

Name \_\_\_\_\_

Hour \_\_\_\_\_

*Of Mice and Men* by John Steinbeck

**Setting Workshop**

**Instructions:** Answer the following questions about the setting. You will need to look in the book for specific information as well as research information that adds to your understanding. Make sure to cite the specific pages from the novel and websites you use.

	<b>Salinas Valley</b> (Geographical Setting)	<b>The Ranch</b> (Physical Setting)	<b>The Great Depression</b> (Time Period)
Describe the setting. You should use information from the book as well as researched information.			
How does this connect with or contribute to the story? In other words, what should you, as a reader, keep in mind as you read the story about the plot, characters, or themes?			
What does this setting make you think and feel? In other words, what do you associate or connect with this time period or location? Explain why this comes to mind.
